

Blessings in abundance!

I am blessed! God continually surprises me, providing Emmaus with everything we need to grow. I wish I could say that we

created this master plan to bring critical services to the underserved on the south side, such as we are seeing today. But that is not true. What happens at Emmaus Ministry is from and only belongs to God. Father Manno's challenge 13 years ago to "get to know the homeless men we are making sandwiches for" changed my life. Those simple PB&J sandwiches for the Catholic Charities Men's Shelter would set Emmaus on the road to encountering Christ through service and discipleship.

Year after year, God continues to nudge us along, sometimes gently and sometimes with an unmistakable push. A reminder to say, "I am here, and I will give you all you need to serve my people!"

God provides what we need every day, beginning with our volunteers. I witness their responses to God's call to be of service. I continue to be amazed watching their faith journey as it blossoms and grows through their time at Emmaus. God provides this ministry with many caring and talented volunteers who are present to give themselves and be part of something greater.

Our donors, benefactors, support services, and tradespersons go above and beyond in responding to Emmaus' needs

– Sheila Austin, RN, Director & President

as God's plan continues to unfold. The generosity of our donors who believe in the work done at Emmaus helps sustain the numerous programming and services so vital to this southside community. Your goodness is honored in our daily prayers.

Spring of 2022 brings another milestone to Emmaus' services – free access for dental and medical needs to be provided in a second location, the St. Marianne Cope Health Services, just next door to our Outreach Center! More information is available in this newsletter, along with a return envelope. I humbly ask for your consideration to give in support of all the incredible services Emmaus is bringing to make a difference in the lives of our families on the South Side.

Emmaus is blessed, indeed!

St. Marianne Cope Health Services

Revealing God's presence to those in need.

Be a special "Angel" become a monthly donor.

These "Angels" help support essential services such as daily meals, the Mobile Meal Ministry, and the monthly grocery bags.

Monthly donations can be mailed to Emmaus Ministry or set up as a recurring gift at www.emmausministry.org.

Thank you in advance for your support!

Being Lead by the Holy Spirit...

St. Marianne Cope was inspired by the Holy Spirit when she and a handful of sisters left Syracuse in 1883 for Hawaii to care for those who

have Hansen's Disease (leprosy). St. Marianne Cope intended to get the sisters established in Hawaii and then return to Syracuse to resume her responsibilities as superior of St. Joseph's Hospital in Syracuse. The Holy Spirit intervened again. St. Marianne Cope ended up staying in Hawaii, spending the rest of her life overseeing the work of running a hospital, a girls' home, a boys' home, a school, and caring for all stricken with leprosy. As a

result of her humble obedience to the Holy Spirit, significant accomplishments occurred. God's love and compassion spread to those otherwise ostracized.

It can be said that Emmaus Ministry is following in the footsteps of St. Marianne Cope by listening to the Holy Spirit. The Holy Spirit leads Emmaus through Syracuse's city streets and ultimately acquires property on East Glen Avenue, now the St. Marianne Cope Center for Outreach. And the property on South Salina Street will be home to the St. Marianne Cope Health Services. The Holy Spirit constantly moves us and prompts us to care for those in need. Looking back, it is

– Reverend John Manno, Vice President

beautiful the Holy Spirit's guidance in the ministry takes us to the peripheries and brings the presence of Christ and the Church to so many. The Holy Spirit is now pressing further with the medical and dental center. The need is great, and the Lord is asking us to tend to the needs of His people again.

Emmaus Ministry is entering its thirteenth year of responding to the call of the Holy Spirit to bring the compassion, love, and goodness of Christ to all we encounter. To all involved in the ministry, your presence, support, generosity, and prayer allow Emmaus Ministry to discern and respond to God in beautiful ways and enables us to find God in all of our brothers and sisters!

Our Granting Foundations

Thank you to the Richard Mather Fund and the following foundations that have awarded Emmaus Ministry with grants!

Volunteer Highlight – Noele Puglisi

Five years ago, Emmaus needed volunteers to bake cookies for the Bishop Foery Foundation's after-school program. Noele Puglisi offered her "yes," and today is an integral part of the Emmaus family. Noele had been making cookies for Bishop Foery when Sheila Austin asked her to drop some cookies off at the newly opened (2017) Outreach Center at 4335 South Salina Street. When Noele arrived at the center with cookies in hand, Sheila asked Noele if she would like to volunteer at the outreach center. Another "yes," and Noele was volunteering with the Tuesday morning breakfast crew. She became

a master of the commercial toaster!

Today, her duty is to oversee the monthly grocery distribution. Noele confirms the grocery needs, tasks other volunteers and herself to place the orders, and picks up the groceries from Wegmans and BJ's Wholesale Club. She schedules volunteers to assemble the grocery and personal care item bags in preparation for distribution. On the third Wednesday of each month, she and other volunteers hand out 80-100 bags of groceries to our guests.

"I love the people. I feel like I am making a difference in peoples' lives by

volunteering at Emmaus," Noele recently remarked. "The guests are so polite and so appreciative. They always say, "Thank you."

Emmaus Ministry offers our heartfelt "Thank you" to Noele for saying "yes"!

Family Activity Giveaway Events

With the continued support of the Jim and Juli Boeheim Foundation and all of you, our Family Activity Program provided two giveaway events and our twice-monthly distribution of activity packs to our young guests and their families.

Last year, Emmaus held a Spring Read and Play Giveaway. Each child received a bag that included books and a fun outdoor activity, such as a ball, colored chalk, and snacks. Your support allowed our volunteers to distribute fun-filled bags to just

under 100 young children.

Last summer, our volunteers were back at it just before school started, distributing 120 backpacks filled with more books, school supplies, snacks, and socks to prepare our guests for the start of the school year. Ice cream treats were available for our families.

Through your generosity and the support of the Jim and Juli Boeheim Foundation, the Family Activities Program provides books, educational worksheets, and fun activities for the family to work on together throughout the year. We distribute those packets to 50-60 children twice each month. With the many books and activities you are providing to our young guests, you are helping them become great readers and allowing families to have fun, creative play activities they accomplish together.

Linda Nelson – Volunteer Case Worker

Linda Nelson spent 25 years working in “corporate America,” as she refers to her rather unfulfilling first career. Out of the blue, at the end of that career, she enrolled in a master’s degree program in Social Work. After completing that program, she spent more than 20 years in her second career...her second life.

This work was much more to her liking. Now retired, she has time to volunteer. “In my second career and work at Emmaus, I empower people to help themselves.” Our guests come to the door in need of assistance in various areas, including housing, unemployment, family caregiver employment, SNAP, HEAP, school advocacy, medical advocacy, job searches, life coaching, and much more.

Tirelessly, Linda has been working since she began volunteering at Emmaus in mid-December. The assistance she provides is welcomed by volunteers and guests alike. One guest expressed it perfectly when she exclaimed, “Where have you been all my life?”

While Linda assists our guests in their areas of need, she focuses on providing them with the skills needed to wind their way through the myriad of red tape often found in resolving an issue. “I’m teaching them to fish rather than giving them a fish.”

Having a caseworker onsite at Emmaus to meet the ever-increasing needs of our guests has been a God-send. Please join us in welcoming Linda to the Emmaus family.

St. Marianne Cope Health Services Free Access to Dental and Medical Care

St. Marianne Cope Health Services renovations continue to move closer to completion as we approach our anticipated opening in June 2022. Our Project Manager has kept subcontractors moving forward, despite supply chain hurdles created by the pandemic. Dental services will open first, followed by medical and other support services.

Each of the three dental requires a compressor, vacuum, and water system. The system is located in a separate room and brought to each

operatory suite through trenches. New electrical service supports the needs of the operatories, x-ray machines, and sterilization room. Up-to-date security and IT systems are complete. The fourteen rooms are furnished with dental and medical cabinetry, dental chairs, medical exam tables, reception area, waiting room, conference/teaching room, and breakroom.

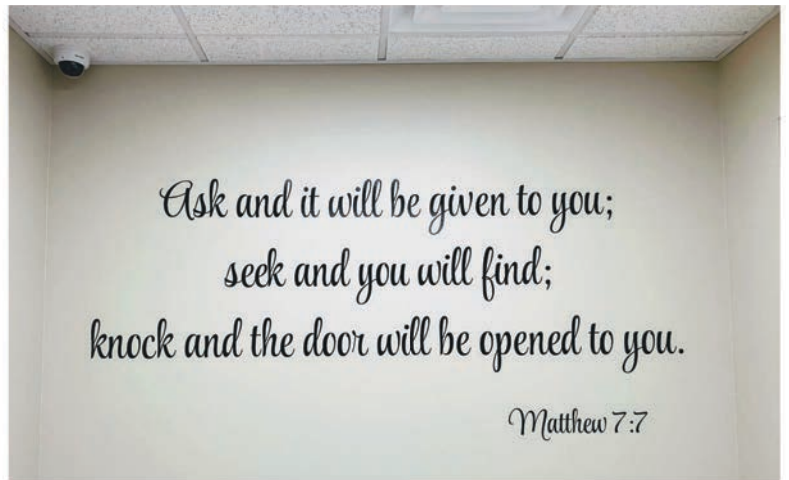

There is great excitement on the part of the Board, staff, volunteers, and, particularly, our guests. Guests have already

started to sign up for appointments! Postcards will be mailed to all homes and schools in the 13205 zip code as we get closer to the opening date.

This major project is possible only by your generous support of the Road to Emmaus Ministry. Thank you to those who have given to the 2021 Capital Campaign for the St. Marianne Cope Health Services. There are still rooms available for sponsorship! Again, if you have not, please use the enclosed envelope to make a life-changing gift to the underserved!

2022 St. Marianne Cope Health Services Appeal

Emmaus Ministry exists to serve those most in need in the Syracuse community. With your support during the past four years, we have done just that. Every meal you helped us serve provided us with an opportunity to build relationships and instill trust with our guests. Those relationships have grown to such an extent that our guests discuss all aspects of their lives with us because they trust what you have helped to create.

Recently, "Jamison" came to our door with terrible pain in his mouth. He has no dental insurance or available transportation necessary for a trip to a dentist's office. Going to the emergency room was his only option and not a particularly good one for him. He had no insurance and still needed transportation to the ER. The wait time at the hospital for a bad tooth is many hours. The next day, "Jamison" returned to us frustrated. Having sat in the ER for hours and seeing more emergent cases go ahead of him, he left with no resolution! Jamison needed an easily accessible place he could go to in his neighborhood, and who would see someone without dental insurance. A place like Emmaus Ministry. A place where desperately needed dental care was the primary focus, within walking distance, and those familiar, trusting faces, he had become accustomed to would accompany him.

Other guests have shared similar health-related concerns over the past 18 months. With the needs of our guests driving our mission, we are establishing the Saint Marianne Cope Health Services that will provide free dental, medical, and mental health services to all who present themselves at the door. The Health Services Center will be adjacent to our Outreach Center.

The need for free access to care in this area is tremendous. In turn, our need for your support has increased significantly. The Mother Cabrini Health Foundation, Dorothy and Marshall Reisman Foundation, CNY Community Foundation, Jim & Juli Boenheim Foundation, Richard Mather Foundation, and individual benefactors have laid the groundwork for this unique project. But, we have a ways to go!

We now turn to you, the backbone of our organization, for your financial support to provide us with the funding we need to complete the work of the St. Marianne Cope Health Services and assist those in need with health concerns. Your generous support will provide us with the means to transform the health and well-being of the most vulnerable in our community.

Enclosed you will find a return envelope with numerous giving levels to help us reach our goal. Every gift counts! Thank you in advance for your thoughtful consideration and care to support this important project. With your continued assistance, the health of this and future generations will be in good hands.

God bless you,

Sheila I. Austin RN., Director and President
