

*I am the Vine; you are the branches.
If you remain in me and I in you, you will bear much fruit;
apart from me you can do nothing. – John 15:5*

I am frequently asked, “Did you ever imagine Emmaus would become this big?” My response is always, “NO WAY!”

Yet as time goes on, I am not surprised. Now I am in awe! As I continue this faith journey, I understand more clearly that Emmaus Ministry’s existence for the south side has always been in God’s plan to happen. And I know this has always been God’s plan for me - to say “yes” to follow Him and His plan in faith.

Emmaus’ growth is not a result of any one person. It is because Emmaus stays committed to the mission and the social teachings of the Church. It is due to the dedication and generosity of our volunteers, donors, foundations, staff, and Board of Directors. The mission is the Vine, and we are the branches cultivating and nurturing Emmaus’ outreach to the marginalized. Together we are fulfilling God’s plan by providing us with the tools, resources, and people necessary to give Him glory through our compassionate care to others.

Thank you for your goodness and generosity over the years! I ask for your

continued partnership as we can accomplish much more together. During this Lenten season of prayer, fasting, and almsgiving, is God speaking to you to help sustain the ongoing needs and mission of Emmaus? An envelope is provided in this 2023 Spring Appeal newsletter for your consideration and support. With you, great strides continue at Emmaus Ministry in God’s name!

So, how do I answer, “Did you ever imagine Emmaus would become this big?” “How could it not?”

God bless you!

“Bump out” planning is underway for the Outreach Center to provide much needed confidential meeting space for social workers, increase multi-purpose room for dining in, meal distribution space, and in-house programming for children and community socialization opportunities.

From the inception of Emmaus Ministry, prayers have been offered to the Holy Spirit, asking to reveal the needs of our guests and to give Emmaus Ministry the ability to respond. It is inspiring to see how Emmaus has met the needs of the people it serves. For example, Emmaus feeds hungry guests; it offers shower and laundry facilities; two social workers that help with numerous concerns; opportunities for children; an emergency food pantry; a free medical and dental clinic; and more.

The reality is that when the needs arise, Emmaus responds. As a result, Emmaus is expanding. It has grown from its humble beginnings at St. James Church (now, Our Lady of Hope Church) and is occupying two buildings, one for its meal service and other needs and the other being the St. Marianne Cope Health Services. All of these ministries have experienced tremendous growth. Currently, Emmaus is discerning how to respond to the increased need in our area for food, medical and dental care, advocacy, outreach to children and families,

and so on. The Holy Spirit keeps gently prodding and shedding light on where God's presence is needed, and Emmaus steps into that light to reveal God's compassion and presence.

Thank you to everyone who has accompanied Emmaus on this journey. Our faithful benefactors, prayer warriors, and volunteers are always

willing to go the extra mile to help meet the needs of the guests of Emmaus. Emmaus has discovered over the years that poverty and hunger will always be there. We invite you to join this mission of revealing God's compassionate face to so many.

In Christ,
Father John Manno, Vice President

Denise Headd – Director of Development & Grants

Hello from the Office of Development. My name is Denise Headd. I am the Director of Development and Grants for Emmaus Ministry. In this last year of working for Emmaus, I have seen unbelievable growth in our services and programs. Part of this growth comes from our response to meet the increasing needs of those we serve in the 13205 zip code. As we have moved through the pandemic, our guests have doubled in volume, and we have been blessed to serve all guests who come to us daily. However, we recognize that we would not be as fortunate if it weren't for our donors and the support of many foundations and organizations.

In addition to our Outreach Center, the St. Marianne Cope Health Services Clinic opened its doors in August. We spent our summer

inviting some elected officials to visit us at Emmaus. County Executive Ryan McMahon, Mayor Ben Walsh, Senator Rachel May, County Comptroller Marty Masterpole, and Assemblywoman Pam Hunter all took time out of their schedules to tour our Outreach Center and Clinic to show their support for our work. Our wonderful donors have supported us financially, either committing to a specific campaign, an appeal, becoming an "Angel" in our monthly giving program, or making a general donation. Volunteers help us each day with their time and talent. They help us to serve our guests with love and dignity. Local foundations have lent their support with grants so that we can continue to grow our ministry as we serve our neighbors on the south side of Syracuse.

We have so much to be grateful for as we move forward at Emmaus. From the Office of Development, I extend my most sincere gratitude for the generous spirit in which each gift we receive is made. Thank you for walking alongside us every day.

x-rays, and having cavities repaired. The clinic offers caring and gentle support to have that stubborn toothache finally removed after "sleepless nights" or the "inability to chew on that side." All for absolutely free and because of the miracles God is working. The need is high, and likewise, the support from volunteers follows.

One of our integral core members shared this at our recent dental meeting. Please read it twice as it was well contemplated, heartfelt, and speaks volumes about what Jesus is doing in our city. Frankly, I couldn't have said it better myself.

Thank you for your time and attention if you have read this far. I will finish with a simple question. Many people ask during Lent, "What will I give up or

sacrifice this year?" I ask that you sacrifice your comfort zone and be bold to help our mission. Place this newsletter on your refrigerator. The next time you go to your dental office for your next cleaning or treatment, please bring this newsletter and article, and share it with your dentist and hygienist. Tell them what is happening. Spread the good news and ask them to email me at stephenstreiff@gmail.com. You will be surprised how many are interested in giving back, and it is the best way you can help us right now, apart from financial donations to supply the necessary dental supplies. I pray you have a blessed Lent, and allow this to be an opportunity to grow in faith!

Stephen Streiff, DDS,
Dental Clinic Director

The Road to Emmaus Ministry of Syracuse continues to expand! The newly constructed, equipped and supplied St. Marianne Cope Health Services Center is up and running. Dentists, hygienists, dental assistants, and coordinators have been volunteering (some very tirelessly) their time and talents to provide love, care, and education to those less fortunate in our community right here in Syracuse. Medical and dental missions across the globe attract those looking to give back, some choosing to travel as far as Latin America and Africa. I tell you this; there is no need to travel to find those in need; they are right here in our own community. Through the generous support of time, talent, and treasure, the dental clinic has cared for numerous guests seeking help with oral healthcare in just a few short months. Guests are educated on the importance of oral health, teeth cleaning, getting

Here's what I see at our clinic. I see Jesus. I see him reaching out to people who are afraid, in pain, ashamed, or don't feel worthy. Jesus didn't just sit and wait for people to seek him out. He sought them out! He took action, and He has asked us to do that.

What we do for people clinically is only a small part of our mission. We're all blessed with different skills and talents, and it's our responsibility and honor to use those skills to help others. But what we are really doing is standing in for Jesus. This is His work. All we do is provide the hands. Our hope is that our guests feel the love of Jesus whenever they interact with us. So you see, it doesn't matter whether we see eight people, ten people, or no people in a day. It matters that we are here, ready, and reaching out, willing to do what we know how to do in the name of Jesus.

– St. Marianne Cope Health Services Volunteer

Staff Spotlight – Mary Radford and Joan Hantke

My name is Mary Radford. I am a Caseworker at Emmaus Ministry. As a social worker, it was important for me to raise my teenage children's awareness of larger societal issues and the importance of service to others. This desire brought me (and my two children) to Emmaus as volunteers last summer. During that time, I learned about the caseworker program and its assistance to the guests. Since

then, I have become part of the team at Emmaus, and it has been a wonderful experience, both professionally and personally.

Through case management services, we work to assess the guests' needs and coordinate and advocate with various community agencies to fulfill these oftentimes complex needs. Common requests include assistance with affordable housing, food stamps, health insurance, crisis counseling, and referrals to other social service programs in our county. The work can vary, from finding immediate shelter for a homeless guest to providing winter hats and coats for a family to simply offering a listening ear to guests as they eat their lunch. Each workday at Emmaus is unique. Despite the daily differences, the same spirit of selflessness and gratitude remains ever-present in the volunteers, staff, and guests. I consider myself lucky to be a part of the team.

I'm Joan Hantke, the Director of Meal Services for Emmaus Ministry. My job is to organize everything we need to provide food to the guests we serve in our community. That includes preparing the monthly menus and ordering the supplies and groceries required. I develop the recipes while preparing all the meals on-site. Another responsibility is to oversee the volunteers who help with cooking, sandwich making, and anything else needed in the kitchen and the dish room. I love what I do at Emmaus. I always enjoy the guests who come for food and conversation. They offer compliments on the meals they receive. Our guests are always kind and grateful for our many services.

Dental Clinic Spotlight – Cindy Grosso and Marian Glisson

Cindy Grosso and I (Marian Glisson) are retired Dental Hygienists who love caring for people's dental health. We know the difference a healthy mouth can make in a person's life. Working at the St. Marianne Cope Health Services Dental Clinic is a natural fit for us. We function as Volunteer Patient Care Coordinators. We arrange the scheduling of our volunteer dentists, hygienists, and assistants and schedule the appointments for guests. We also ensure that instruments are processed and sterilized correctly, the treatment rooms are

adequately stocked and ready for the next day, and essential equipment is maintained.

It's wonderful to meet our guests and get to know them. When a person comes into the clinic in fear and pain and leaves us smiling and grateful, it's so gratifying! Good news travels fast, and our phones are ringing more and more. It's been eye-opening to discover our guests' challenges in getting the basic care most of us take for granted. You can hear the relief in someone's voice

when we say, "Yes, we can see you!" The need is so great. Our team is a joy to work with and is kind and gentle with our guests. Our guests themselves make it all worthwhile with their heartfelt gratitude.
